Chairman's Report

In this 19th year of the St. Stephen's Millennium Green the garden continues to thrive and is an asset to the whole community.

During the year Chris Champion, Lyn Jacobs and Howard Jacobs reigned as Trustees. Peter Akbar and Chris Melbourne have joined as Trustees

Thanks were given to John Gibbons, the gardener, and Jackie Harris and Brenda Bridgeman, Trustees, who work with John to maintain the garden.

The refurbishment of the pond which was planned for this year is now complete

Our financial position continues to be strong with income exceeding expenditure. Donations exceeded the previous year's donations the number of donors holding steady, which is good news.

Events during the year which included the Lansdown Open Gardens raised close to £3500 towards the upkeep of the Green. Brenda Bridgeman and Jackie Harris were thanked for their work in organising events
