Duncan Spooner raised a point regarding the expenses for events in 2021 showing zero. The Treasurer clarified that the income shown for events in 2021 (the 2021 Open Gardens) was net of expenses.

Acceptance of the 2022 Financial Report was proposed by Chris Melbourne, seconded by Fran Humphries, and unanimously adopted by the meeting.

AOB

Jackie Harris asked what plans the Trust had for controlling the goldfish in the pond. Anne Love responded that the number of goldfish in the pond is a combination of the goldfish breeding and probably people dumping fish into the pond. People will be encouraged to remove fish from the pond and to 're-home' the fish.

Next meeting
